Dear Bala

RE: THANKS AND APPRECIATION

On behalf of the Aryan Benevolent Home Council, residents and children we would like to express our heartfelt thanks and appreciation to you and your organisation for the donation of, Conductor X 6, Gem spray X1, Acu Gloves- hand & wrist X 3, Acu socks – foot, ankle, lower leg X 3 and large gel pads X 40, towards our Home.

Your donation is an inspiration to us to continue with this ennobling cause of Caring, Serving and Sharing. It is through individuals like yourself that the Aryan Benevolent Home Council has been able to provide comfort and loving care to the community over the past 95 years.

All our residents and children are from disadvantaged backgrounds. For example, at our children's home we have our statistics reflect 60% Black, 37% Indian, 2% Coloured and 1% White.

Today, the ABH Council is a trailblazer in offering welfare service to the needy in our community. This accolade has been made possible through the genuine support of volunteers and considerate people like yourself.

Kind gestures such as yours are most welcome and appreciated.

Once again a very big **THANK YOU** from all at the Aryan Benevolent Home.

Yours Faithfully

Ms J Marrie
